This application is to gather information about your knowledge and experience in the public assembly industry and most specifically regarding the use of a venue for a mega shelter. The Mega-Shelter Assistance Team (MAT) Job Description provides details about the qualifications and skill that are most desirable for a MAT volunteer. This information will be used by IAVM when assembling a MAT team to respond to a specific incident. Each team will be assembled with the best combination of skills for the incident.

If selected to the MAT program, you will be required to submit to a criminal background check. If you feel you will not pass the background check, you should not proceed further. *
